Joseph opened the meeting by welcoming Joanne Ryder.

Minutes from last meeting were passed and duly signed.

Joanne Ryder gave a brief insight into what the Leicester City Clinical Commissioning Group did. Then we had a brief Q & A Session and Joanne would try and find the answers to the questions she was unsure about!

The question of the funding was raised and Raj is to investigate the possibility of having a meeting with the local MP to find out more about funding of the practise.

The next meeting will be held on Tuesday 19th November at 12.15pm
